Proven Methods. Real Results.

On January 1, 2010, the new Massachusetts Privacy Law (201 CRM 17.00) will go into effect. It will apply to all individuals, companies, partnerships, and other legal entities that own, license, store, or maintain personal information about a resident of Massachusetts. And it's not limited to companies based or doing business in Massachusetts.

The definition of personal information is quite broad. That's why we're inviting you to join us for this **free** Webinar on:
